WORKING EXPERIENCE

Primus Spark Ventures - Singapore based Venture Capital **Jun. 2024 – Apr. 2025**

Assistant Head of Research *Remote*

- Screened and evaluated 50+ early-stage Web3/blockchain companies across DeFi, infrastructure, Layer1, Layer2 and real-world assets, assessing business model, market size, competitive landscape, social traction and valuation to support investment decisions.
- Developed automated Excel based portfolio tracker, dashboards monitoring deal flow, cash flow returns, and fund performance, enabling real-time visibility for the team.
- Supported quarterly financial planning, forecasting, and performance reporting; assisted in budget reviews and cash flow return tracking across active portfolio projects.
- Conducted daily crypto market highlight recap, update crypto market trends and co-authored monthly investment reports covering market trends, ecosystem developments, and portfolio company updates.

VPBank - Top 1 Commercial Bank with Highest Charter Capital in Vietnam **Aug. 2023 – Jun. 2024**

Assistant Corporate Relationship Manager (Selected Management Trainee) – Commercial Banking Division *Hanoi, Vietnam*

- Performed credit analysis on corporate clients in mid-market segment (annual revenue above ~€20m), assessing profitability, cash flow, leverage and debt service capacity; prepared credit reports supporting lending decisions.
- Managed a 30-client corporate lending portfolio across loans, FX/derivatives, trade finance, and cash management; conducted ongoing credit risk monitoring and portfolio reviews to maintain portfolio quality.
- Structured tailored financing advisory across lending, issuing LC, treasury and trade finance, coordinating with risk, legal, operations and compliance teams to execute transactions
- Supported acquisition and cross-sell initiatives through client meetings and relationship management, contributing to new client acquisition and revenue growth targets.
